Medicine measure made of renewable raw material!

Product information medicine measure 9000 pcs

- Made of renewable raw material.
- Disposable product for easy and quick handling, increased hygiene and reduced risk of contamination.
- Medicine measure suitable for dispensing both liquid and dry medications (tablets)
- Graduated each milliliter up to 30 milliliter. The scale is clear and easy to read for measuring.
- High quality medicine measure.
- Classified as a class 1M product. Class 1M means that there is a measurement function with a scale on the product. All 1M products must have Notified Body mark and CE mark on the product. Our Notified Body number 0413 implies that our Notified Body, Intertek, inspects our calibration system of the medicine cups and controls that we follow the manufacturing rules of the product according to the Medical Device regulations.
- Manufactured in Sweden
- Accessories:
 - Writeable lids, ref nr 00364
